EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a response dated 9-14-05.

The application has been amended as follows:

In claim 21 line 4, after "adjustable", insert -- distance -- .

Examiner notes that claim 21 is a duplication of claim 6 of the original claims, however the word "distance", which was included in line 5 of claim 6 of the original claims was inadvertently left off from line 4 of new claim 21. Therefore, the current examiner's amendment resolves the problem by inserting the word distance after adjustable in line 4.
